The Montpelier Exempted Village Schools Board of Education believes all students, including advanced learners, should be challenged and supported to reach their full potential. For many advanced learners, this can best be achieved by providing access to curriculum, learning environments, and instructional interventions more commonly provided to older peers. If you feel your student may meet the criteria for acceleration, please mark the appropriate acceleration for consideration.

_____ Early Entrance to Kindergarten

_____ Individual Subject Acceleration

_____ Whole-Grade Acceleration

_____ Early High School Graduation

Please return completed form to the building principal.
