Re: Mandatory 3 Week Spring Break

Governor Mike Dewine ordered a mandatory 3 week spring break for all schools beginning Monday, March 16 and ending April 6. What does a 3 week spring break look like?

1. Next week will be spring break as usual. Students will not have any work to complete.
2. The following 2 weeks students will have some assignments that the teachers will provide for them. Students will need to take all of their devices and textbooks home with them when school is over tomorrow.
3. The next 3 weeks are going to be difficult for the students, parents, and staff. Please remain calm and know that if there are barriers to completing the work from home, the teachers will be flexible. Feel free to communicate with your child's teachers during this time. They will answer all of your questions.
4. We will be closing all facilities to the public beginning March 14 until further notice, including the weight room, superior and the rec center.
5. If you have any questions, feel free to email me at [jgrime@montpelier-k12.org](mailto:jgrime@montpelier-k12.org) or call me at (419) 485-6704.

The best way to get through this is to stay calm and take care of each other!

Sincerely
