**Montpelier Exempted Village BOE Alternatives to Quarantine Students October 12, 2021-More options to the Traditional Quarantine. (Trial Basis Starting October 13, 2021)**  
**Positive Covid Case Confirmed (Health Department-Confirmed)**

**Contact Tracing Performed**

Anyone identified as close contact in the tracing fall under the following options:

- 1) **Mandatory mask quarantine** *A student who is symptom free will be permitted to continue in person learning provided they do the following:*
  - *Wear a properly fitted face covering for ten (10) days while on school grounds for any reason*
  - *Perform daily self-checks to ensure they remain symptom free.*
  - *After the tenth day of being symptom free, the student may return to normal protocol of mask optional*
  - *Student may not participate in any extra-curricular activity for the first 10 days*
  - **\*Failure to comply with proper masking the student will automatically complete the remainder of quarantine at home.**
- 2) **Modified mask and testing quarantine:** *A student who is symptom free will be permitted to continue in person learning provided they do the following:*
  - A. **With PCR Test**
    - *Wear a properly fitted face covering for five (5) days while on school grounds for any reason.*
    - *On the 5<sup>th</sup> day of quarantine, have a medical doctor verified negative PCR test results.*
    - *Upon a verified negative test, student may return to normal school protocol and extra-curricular activities.*
  - B. **With Vaccination**
    - *Individuals, who are symptom free and can verify fully vaccination status, can continue in person learning if wearing a properly fitted face covering for 10 days. May participate in extracurricular activities as long as they have no symptoms. (Be mindful of HB 244 and inability to discriminate effective October 13, 2021)*
  - C. **With Anti-Body Test**
    - *Individuals with a Doctor verified anti-body test within 90 days of current quarantine date can continue in person learning while wearing a properly fitted face covering for 10 days. May participate in extracurricular activities as long as they have no symptoms.*

**\*Return to extra-curricular activity protocols for vaccinated individuals and those with a positive antibody test are the same.**

3) **Traditional quarantine:** Individuals presenting symptoms when a quarantine is issued, or who develop symptoms during the quarantine, must be isolated and out of school for a period of 10 days.

***\*Any student determined to be a close contact, and was wearing a properly fitted face covering will not be required to quarantine.***

Now, therefore, be it resolved on the 12th day of October 2021, by the Board of Education of the Montpelier Exempted Village School District: Quarantine Options for MEVSD. (Starting October 13, 2021.
